	CENTRAL INTELLIGENCE AGEN	ICY .	25X1
CLASSIFICATION	SECRET/		25X1
K1	BECKET/		
	INFORMATION REPO	RT REPORT NO.	
		CD NO.	
OOUNTDW	DO NOT CIRCUILATE		
COUNTRY Hungary		DATE DISTR. 23 December	1952
SUBJECT Radar Production	n in Hungary	NO. OF PAGES 1	j.
DATE OF INFO.		NO. OF ENCLS.	
PLACE ACQUIRED		SUPPLEMENT TO REPORT NO.	25X1
(1 1.°)			· .
			051/4
.1 1			25X1
2. The technical exthe UIW. The extract (Long Direcently been by	speriments for radar manufacturing the sperimental institute itself, the latence Relays Experimental Institute on the Rozsadomb in Budapest	e Táv Közlési Kisérleti itute) (TAKKI) has only	25X1
2. The technical exthe UIW. The extract (Long Direcently been by Törðkvész Street	sperimental institute itself, the istance Relays Experimental Institute on the Rozsadomb in Budapest ts.	e Tav Közlési Kisérleti itute) (TAKKI) has only t, at Cabor Aron and	25X1
2. The technical exthe UIW. The exthe UIW. The extending Direcently been by Törökvész Street 3. The TAKKI has the which cost about have turned out satisfactorily,	sperimental institute itself, the istance Relays Experimental Institute on the Rozsadomb in Budapest ts. The produced ten radars, alt one million forints each. The to be "terrible flops"; none of "there is always something wrong	e Tav Közlési Kisérleti itute) (TAKKI) has only t, at Cabor Aron and ll mounted on trucks Hungarian radars, however, f them is performing g with them [®] . The model	25X1
2. The technical exthe UIW. The exthe UIW. The extently been to Törökvész Street 3. The TAKKI has the which cost about have turned out satisfactorily, is an obsolete of Whether the "Hangermans built at	sperimental institute itself, the istance Relays Experimental Institute in the Rozsadomb in Budapest its. The far produced ten radars, alt one million forints each. The to be "terrible flops"; none of "there is always something wrong one and is being referred to as thourg" name refers to a German but Hamburg during the war or wheth	e Tav Közlési Kisérleti itute) (TAKKI) has only t, at Cabor Aron and ll mounted on trucks Hungarian radars, however, f them is performing g with them. The model the "Hamburg" design. wilt radar which the her this means the	25X1
2. The technical exthe UIW. The exthe UIW. The extending proceeding of the Extending proceedings of the Extending proceeding proceedings of the Extending proceedings of the Extending proceedings of the Extending proceeding proceedings of the Extending proceedings of the Extending proceedings of the Extending proceedings of the Extending proceeding proce	sperimental institute itself, the istance Relays Experimental Institute on the Rozsadomb in Budapest ts. The produced ten radars, alt one million forints each. The to be "terrible flops"; none of "there is always something wrong one and is being referred to as inburg" name refers to a German bu	e Tav Közlési Kisérleti itute) (TAKKI) has only t, at Cabor Aron and ll mounted on trucks Hungarian radars, however, f them is performing g with them. The model the "Hamburg" design. wilt radar which the her this means the	25X1
2. The technical exthe UIW. The exthe UIW. The extending proceeding of the Extending proceedings of the Extending proceeding proceedings of the Extending proceedings of the Extending proceedings of the Extending proceeding proceedings of the Extending proceedings of the Extending proceedings of the Extending proceedings of the Extending proceeding proce	sperimental institute itself, the istance Relays Experimental Institute in the Rozsadomb in Budapest its. The far produced ten radars, alt one million forints each. The to be "terrible flops"; none of "there is always something wrong one and is being referred to as thourg" name refers to a German but Hamburg during the war or wheth tish built radar which might have	e Tav Közlési Kisérleti itute) (TAKKI) has only t, at Cabor Aron and ll mounted on trucks Hungarian radars, however, f them is performing g with them. The model the "Hamburg" design. wilt radar which the her this means the	25X1
2. The technical exthe UIW. The exthe UIW. The extending proceeding of the Extending proceedings of the Extending proceeding proceedings of the Extending proceedings of the Extending proceedings of the Extending proceeding proceedings of the Extending proceedings of the Extending proceedings of the Extending proceedings of the Extending proceeding proce	sperimental institute itself, the istance Relays Experimental Institute in the Rozsadomb in Budapest its. The far produced ten radars, alt one million forints each. The to be "terrible flops"; none of "there is always something wrong one and is being referred to as thourg" name refers to a German but Hamburg during the war or wheth tish built radar which might have	e Tav Közlési Kisérleti itute) (TAKKI) has only t, at Cabor Aron and ll mounted on trucks Hungarian radars, however, f them is performing g with them. The model the "Hamburg" design. wilt radar which the her this means the	25X1
2. The technical exthe UIW. The exthe UIW. The extending proceeding of the Torokvesz Street 3. The TAKKI has the which cost about have turned out satisfactorily, is an obsolete of Whether the "Ham Germans built at design of a Brit	sperimental institute itself, the istance Relays Experimental Institute in the Rozsadomb in Budapest its. The far produced ten radars, alt one million forints each. The to be "terrible flops"; none of "there is always something wrong one and is being referred to as thourg" name refers to a German but Hamburg during the war or wheth tish built radar which might have	e Tav Közlési Kisérleti itute) (TAKKI) has only t, at Cabor Aron and ll mounted on trucks Hungarian radars, however, f them is performing g with them. The model the "Hamburg" design. wilt radar which the her this means the	25X1
2. The technical exthe UIW. The exthe UIW. The extending permitted in the control of the control	sperimental institute itself, the istance Relays Experimental Institut on the Rozsadomb in Budapest ts. The Committee and the Committee and the Committee and the Second the Committee and the Second the Committee and Committee and the Committee and Committee and the Committee and Committ	e Tav Közlési Kisérleti itute) (TAKKI) has only t, at Cabor Aron and ll mounted on trucks Hungarian radars, however, f them is performing g with them. The model the "Hamburg" design. wilt radar which the her this means the e been captured by the	25X1
2. The technical exthe UIW. The exthe UIW. The extending proceeding of the Torokvesz Street 3. The TAKKI has the which cost about have turned out satisfactorily, is an obsolete of Whether the "Ham Germans built at design of a Brit	sperimental institute itself, the istance Relays Experimental Institute in the Rozsadomb in Budapest its. The far produced ten radars, alt one million forints each. The to be "terrible flops"; none of "there is always something wrong one and is being referred to as thourg" name refers to a German but Hamburg during the war or wheth tish built radar which might have	e Tav Közlési Kisérleti itute) (TAKKI) has only t, at Cabor Aron and ll mounted on trucks Hungarian radars, however, f them is performing g with them. The model the "Hamburg" design. wilt radar which the her this means the e been captured by the	25X1
the UIW. The exintered (Long Direcently been by Törökvész Street) 3. The TAKKI has the which cost about have turned out satisfactorily, is an obsolete of Whether the "Ham Germans built at design of a Brit Germans during the CLASSIFICATION	experimental institute itself, the istance Relays Experimental Institution the Rozsadomb in Budapest its. The Rozsadomb in Budapest its. The far produced ten radars, alt one million forints each. The to be "terrible flops"; none of "there is always something wrong one and is being referred to as the standard of the war of whether is always the war or whether is always which might have the war at Hamburg is unknown.	e Tav Közlési Kisérleti itute) (TAKKI) has only t, at Cabor Aron and ll mounted on trucks Hungarian radars, however, f them is performing g with them. The model the "Hamburg" design. wilt radar which the her this means the e been captured by the	25X1
